FARM CAFE

Welcome to Occombe Farm Café. This gorgeous café is run by a small, independent, local conservation charity; Torbay Coast & Countryside Trust (TCCT).

We're a team of passionate people committed to caring for over 1,700 acres of Torbay's most beautiful natural and wild spaces including Cockington Country Park, Berry Head National Nature Reserve, a host of wildlife-friendly woodlands, meadows, stunning cliffs and coastlines and Occombe too!

In real terms that's keeping a whopping 40 miles of footpaths and bridleways open and safe across the bay! We care for a massive 88% of Torbay's natural green spaces for people to enjoy. All are part of the English Riviera UNESCO Global Geopark; extraordinary places of international geological significance.

It is important to share Torbay's conservation story too and we do that through fun educational activities for families and children.

Occombe Farm Café provides funds towards our care of these many treasured green spaces in Torbay. Simply buying a cup of coffee, tucking into our famous Occombe breakfast or indulging in a delicious cream tea supports our work throughout Torbay. Good eating that does Good - Thank you!
